

TRIBUTE FROM HIS PARENTS

Our beloved son,
Losing you has left a pain in our hearts that words cannot describe. We never imagined that we would one day have to stand here and say goodbye to our child. A parent is never prepared to bury their own child. You brought joy, love and precious memories into our lives. From the day you came into our family, you held a special place in our hearts. Though your time with us was not as long as we wished, the love we shared will remain with us forever. We will miss your presence, your smile, your voice and the little things that made you who you were. Our hearts are broken, but we are grateful to God for the gift of having you as our son. Rest peacefully, our dear son. Your journey on earth has ended, but your memory will live on in our hearts and in the lives of everyone who knew and loved you. Until we meet again in glory.

TRIBUTE FROM SIBLINGS

To our dear brother,
Losing you has left a silence in our family that words cannot fill. We still find ourselves expecting to see you, hear your voice call us "my sister" and "my brother" or share another moment with you. You were more than just our brother. You were part of our childhood, our memories, our family stories, and our lives. We shared laughter, disagreements, celebrations, and countless moments that we will treasure forever. Although we would have wished for more time with you, we are grateful for every memory you left behind. We promise to keep your memory alive and to carry the love we shared wherever life takes us. Rest peacefully, our brother. You may be gone from our sight, but you will forever remain in our hearts. Hurùka thayù

TRIBUTE TO DEAR UNCLE,

It is difficult to believe that you are no longer with us. You were a loving uncle, a source of warmth, laughter, and guidance in our lives. The memories we shared with you will forever remain in our hearts. We will miss your smile, your kindness, your words of wisdom, and the way you made us feel loved and valued. Though we cannot see you anymore, we will carry your memory with us wherever life takes us.

Rest peacefully, dear Uncle. Your love and legacy will live on through all of us.
Forever loved, forever remembered, and forever in our hearts.
From your nieces and nephew.

TRIBUTE FROM FRIENDS AND WORKMATES

Our dear friend and colleague Josphat Ngugi Ng'ang'a - Josee - it is with deep shock and sadness that we have learnt of your passing. You were more than a friend to us, you were a brother, a teammate and a source of joy. Your humility, your ever-smiling face, your hard-working spirit and your willingness to help everyone will forever be missed. To us, you will always be Josee.

At work and in life, you were dependable, respectful and full of life. Josee, you brought laughter where there was silence, you brought light where there was darkness, and you brought unity among us. You never complained, you always encouraged, and you gave your best in everything you did. We shared many great moments, dreams and plans together, not knowing you would leave us this soon.

Though you are gone, your legacy of friendship, kindness and dedication will live on. The gap you have left is big, but the memories we created will keep us strong. Rest well our brother, Josee. You fought a good fight. We will miss you dearly until we meet again.

From Your Friends and Workmates.
